# Psychology Minor

Please consult the most recent [online Academic Calendar](#) for the module course requirements and course links.

**Note:** Psychology Minors who wish to leave open the possibility of switching to a Psychology Major, need to keep in mind that Psychology Majors are permitted no more than 1.0 Psychology credits in the 2000-2099 range within their module, and in addition require a 1.0 Math credit (first year level). Therefore those students may wish to consider doing 3.0 of the 4.0 Minor module Psychology courses at the 2100 and above level. Please consult the Academic Calendar for the requirements for a Psychology Major.
