

Riley E. Hinson, Ph.D.
Associate Professor
Department of Psychology
University of Western Ontario
London, Ontario
N6A 5C2
Phone: 519-661-2111 ext 84649
email: hinson@uwo.ca

Educational History

1980, Ph.D., Department of Psychology, McMaster University, Hamilton, Ontario

1973, BSc., Industrial Relations, University of North Carolina at Chapel Hill, Chapel Hill, North Carolina

1973, B.A., Psychology, University of North Carolina at Chapel Hill, Chapel Hill, North Carolina

Employment History

1981-present, Department of Psychology, University of Western Ontario, London, Ontario

1979-1981, Research Scientist, Addiction Research Foundation (now CAMH), Toronto, Ontario

Teaching Experience

Undergraduate

Research Design, Methods and Statistical Analysis
Drugs and Behavior
Animal Learning and Cognition
Community Service Learning Course in Addictions

Graduate

Animal Learning and Cognition
Addictions

Research Grants

Canadian Institutes of Health Research, New Emerging Team (Net): “Violence, Gender and Health: The Impact of Child Maltreatment on Adolescent and Adult Health Outcomes” (collaborating researcher on research team headed by Wekerle, C., Faculty of Education and Departments of Psychiatry and Psychology, University of Western Ontario)- \$1.29 million awarded in 2003 to cover a period of five years.

Agnes Cole Dark Fund: “Cognitive Processes Underlying the Automatic Nature of Smoking”- \$2,500 awarded in 2008 to cover a period of one year.

Alcoholic Beverage Medical Research Foundation: "Alcohol Outcome Expectancies, Memory Accessibility, and Situational Variation in College Student Drinking Behavior" (with A.M. Wall, Department of Psychology, York University, & S.A. McKee, Department of Psychiatry, Yale University)-\$120,000 awarded in 2001 to cover a period ending September, 2003.

UWO Foundation Western: "Alcohol, gambling and liquid courage"-\$3,000 awarded May, 2000 to cover a period of one year.

Rothman, Benson and Hedges: "Cognitive processes in smoking behavior"-\$7,000 awarded in 2000 to fund construction of smoking research laboratory.

Rothman, Benson and Hedges: "Automatic and controlled processing in smoking behavior"-\$5,800 awarded May, 1999 to cover a period of one year.

Addiction Research Foundation: "Familial transmission of alcohol outcome expectancies"-\$2,600 awarded in 1997 to cover a period of one year.

Natural Sciences and Engineering Research Council of Canada: "Effects of preexposure and postextinction exposure on place conditioning"-\$48,000 awarded in 1992 to cover a period of four years.

Natural Sciences and Engineering Research Council of Canada: "Place conditioning with amphetamine"-\$45,000 awarded in 1989 to cover a period of three years.
