In summary, I currently have **X** direct hours, **X** support hours, and **X** supervision hours.

*The following is to be included if this is being submitted to the Clinical Practicum Coordinator a part of the "Readiness for Residency" process:*

I anticipate that I will be able to accrue additional **X** direct hours, **X** support hours, and **X** supervision hours by the end of September/early October. I believe the total number hours, variety of placement settings, and variety of experiences is adequate and competitive.
